Aw, bless him, DG looks like that too LOL

Re:goofy gob

Posted by Donna - 2010/03/10 08:42

he is half piranha!

Re:goofy gob

Posted by mariemisty - 2010/03/10 09:06

yep, Donna is right. Those little teeth are wicked.

What he looks like pales into insignificance when you are subjected to his personality and cuddles!!

I still say he is so much like my Foggy was.

So there (blows raspberries at you all!!!!) lol

A gob like that must make brushing his teeth easy, he does'nt even have to open wide:lol:
